

## Kaiaulu o Kuku'ia

Dear prospect(s):

We are excited for your interest in Kaiulu o Kuku'ia! To make this process easier for you please read below the next steps.

Lottery Information:

Numbers were pulled for the ranking of each applicant; for the order of which the applications will be processed. Meaning, your number being pulled does not guarantee you an apartment, nor does it automatically qualify you.

Once your application is selected for further processing, our team will reach out via email to all adult 18+ years of age household members listed on the application.

- Each applicant 18+ years of age will receive an email link for credit and criminal check. All household members 18+ must complete this process. This process fee is the responsibility of the applicants 18+ years of age.
- **You will have 3 days to complete the background check and credit check, if it is not completed on time, management will move on to the next applicant.**

If the background and credit check is passed, management will contact you to set up an in-office interview appointment. After confirmation of interview date and time, management will send you an email with our full application and a list of required documents that must be brought with you to your interview. All documents must be original documents- No copies!

**\*\*\*ALL adult household members 18+ years of age listed on the application MUST attend the scheduled interview\*\*\***

**\*\*\*Please make sure to bring all the documentation that applies\*\*\***

After the interview is complete, our staff will process your application by conducting third party verifications of all information provided and documentation received. Please keep your phone handy and check your emails frequently for updates, questions, concerns or requests made by staff.

LIHTC (low-income housing tax credit) programs require that documentation is dated 120 days of your Move-In date, so during the process we may request additional documents; or updated documents of what was initially provided. Please ensure that you comply with these important and urgent requests.

The application process will be a lengthy process; your patience and cooperation with our process is greatly appreciated.

Only after your application is fully processed; IF your household qualifies AND IF there is a unit available, management will contact you with the next steps. The following steps being attending a mandatory "New Resident Orientation" in preparation of your scheduled move in (which will be determined based on the availability of the apartment or construction completion)

Thank you,
